Justice M N Venkatachaliah

Former SC Chief Justice

I believe that under the leadership and guidance of Prithvi a spirit of idealism will prevail in the upcoming elections in Karnataka, dispelling the gloom and cynicism we have about elections. His team will bring a fresh breeze in Karnataka where they are contesting not for the sake of power but for setting up a model wherein they can show that it is still possible to bring back our political system back from the brink.

PRITHVI REDDY
